PROFESSIONAL PROFILE

Engineering professional with more than 10 years of progressive experience across water-supply and gas-pipeline infrastructure. Career progression spans topographic surveying, lead surveying and drafting, field engineering, hydraulic analysis, engineering estimates, site management and project management. Experienced in technical planning, DED and drawing review, BOQ/RAB, quality and schedule control, multidisciplinary field coordination, and stakeholder management.

10+

Years of experience

17

Major project assignments

Water

Supply infrastructure

Gas

Transmission pipelines

CORE COMPETENCIES

- + Topographic Survey & Mapping
- + Hydraulic Analysis - Water Supply Networks
- + Construction Management & Project Control
- + BOQ / RAB / AHSP / Engineering Estimate
- + Technical Drawing & Detailed Engineering Design
- + Pipeline Construction & Field Engineering
- + Quality Control & Project Administration
- + Stakeholder Coordination & Technical Problem Solving

SELECTED PROJECT HIGHLIGHTS

SPAM Regional Jatiluhur I

Site Manager for the DC Cilincing Segment 2 downstream transmission system, supporting major large-diameter pipeline construction in East Jakarta.

SPAM Umbulan

Project Manager, Field Engineer and Lead Surveyor across multiple phases of the Pasuruan - Surabaya - Gresik water-supply pipeline corridor.

Regional Water Supply Projects

Hydraulic engineering and engineering-estimate assignments for Seriti, Karian Serpong, Jatiluhur I, Agam Bukittinggi, Palu and Maminasata.

Gas Pipeline Portfolio

Field and site leadership experience across Cirebon - Semarang, Kendal, Gaskita, Dumai, Pengerang, Aceh, Bayu Urip and SSWJ projects.

TECHNICAL TOOLS

AutoCAD Civil 3D | WaterCAD / SewerCAD | GIS & Mapping | MS Project | Microsoft Office | Hydraulic Modelling | BOQ / RAB / AHSP | Technical Reporting

PROFESSIONAL EXPERIENCE

Project-based career history across Indonesia and Malaysia

- 1

TA ENGINEERING ESTIMATE

Regional Water Supply Project (Seriti) - Asian Development Bank (ADB)

North Sumatra | Mar 2026 - Sep 2026
- 2

SITE MANAGER

Main Distribution Network Development, SPAM Maminasata - PT Daka - Surya, KSO (Part-time)

Gowa Regency, South Sulawesi | Jul 2025 - Feb 2026
- 3

SITE MANAGER

Cirebon - Semarang Phase 2 Natural Gas Transmission Pipeline - PT Daka Megaperkasa (Part-time)

Batang - Cirebon - East Kandang Haur | Dec 2024 - Jun 2025
- 4

SITE MANAGER

DC Cilincing Segment 2 Downstream Transmission Pipeline, SPAM Regional Jatiluhur I - PT Cipta Crown Simbol

Cakung, East Jakarta | Jul 2023 - Nov 2024
- 5

FIELD ENGINEERING

Gas Transmission Pipeline Construction - PT EPIK (Part-time)

Kendal Regency, Central Java | Apr 2023 - Jun 2023
- 6

SENIOR HYDRAULIC ENGINEER

Downstream DED for SPAM Regional Karian Serpong, Jatiluhur I, Agam Bukittinggi and Seriti

Jakarta, West Sumatra and North Sumatra | May 2022 - Mar 2023
- 7

FIELD ENGINEERING

Gaskita Household Gas Distribution Network - PT PGN Solution

Tangerang and Jakarta | Jun 2021 - May 2022
- 8

SENIOR HYDRAULIC ENGINEER

Downstream DED for SPAM Regional Palu

Central Sulawesi | Aug 2020 - Jun 2021
- 9

PROJECT MANAGER

SPAM Umbulan Phase 3 Pipeline Installation - PT Teratai Prima

Surabaya - Gresik | May 2020 - Aug 2020

PROFESSIONAL EXPERIENCE - CONTINUED

- 10** **FIELD ENGINEERING**
SPAM Umbulan Phase 2 Pipeline Installation - PT PGN Solution (Part-time)
Gempol - Surabaya | Feb 2019 - Jun 2020
- 11** **LEAD SURVEYOR**
62.5 km SPAM Umbulan Pipeline Installation - PT Citra Panji Manunggal
Pasuruan - Surabaya | Jul 2018 - Jan 2019
- 12** **LEAD SURVEYOR**
Production Unit Development, SPAM Public-Private Partnership - PT Citra Panji Manunggal
Pasuruan | Sep 2017 - Jun 2018
- 13** **SENIOR SURVEYOR**
Dumai Gas Distribution Network Development (PJDD) - PT Tegma Engineering
Dumai | Mar 2017 - Aug 2017
- 14** **FIELD ENGINEERING**
Pengerang Gas Pipeline Project (PGPP) - PT Citra Panji Manunggal
Johor, Malaysia | Oct 2014 - Oct 2016
- 15** **SENIOR SURVEYOR**
Arun - South Lhoksukon - Belawan Gas Transmission Pipeline - PT Citra Panji Manunggal
Aceh | Oct 2013 - Oct 2014
- 16** **SURVEYOR**
MCL Onshore Export Pipeline System, Bayu Urip - PT Citra Panji Manunggal
East Java | Jun 2013 - Oct 2013
- 17** **SURVEYOR**
SSWJ Gas Pipeline Project CP38 Cikande - Bitung - PT Promatcon Tepat Guna
Banten | Nov 2012 - Jun 2013

CAREER VALUE

Combines field execution, engineering analysis and project leadership. Brings practical understanding from survey and construction through to hydraulic modelling, cost estimation, technical documentation and stakeholder coordination.

AVAILABLE FOR INFRASTRUCTURE COLLABORATION

Water supply | Pipeline construction | Hydraulic engineering | Engineering estimates | Project management
